BOX PATENT APPLICATION
Hon. Assistant Commissioner
for Patents
Washington, D. C. 20231

PRELIMINARY AMENDMENT

Sir:

In advance of prosecution, kindly amend the above-identified application as follows and consider the following remarks:

IN THE CLAIMS:

Please cancel the previous version of the following claims and replace them with the following rewritten version. A marked up copy showing the amendment since the previous version is annexed as separate pages.

Claim 1 (amended). A syringe for delivering flowable and/or highly viscous materials with a syringe tube, which has an outlet nozzle, a material container disposed
